Reviews

*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.

WILLIE THE WHISKERS (PAPERBACK)

Trafford Publishing, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. As parents of two young boys my wife and I recognize that Willie the Whiskers illustrates a number of feelings, emotions, and skills that are important for developing young minds. Our boys loved the illustrations and the easy flow of the narrative. --Bill and Amy Shultz My 8 year old read this book to me, my husband and our 2 year old and afterwards he told us that the moral to the story is the importance of having the same unconditional love and respect for animals as we should have for people. This book is a really good reading with an excellent message. --Jeannine Ferguson Willie the Whiskers is a book that will serve as a great read and learning tool for all children in grades K-2nd. The quality of the characters will keep the attention of young readings and bring joy, responsibility, love and the power of friendship.
