*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.*

## HONEY AND BANDAGES (PAPERBACK)

Folded Word, United States, 2015. Paperback. Book Condition: New. 173 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In these collaborative poems, Katie Longofono and Mary Stone take us on a journey across Kansas and Missouri in which every moment is lived to the full. Ecstasy, pain, loss, reclamation - each poem in this collection contains silhouettes of flight and arrival while surging ever-forward like the poets beloved Missouri River. James Hoch, author of *A PARADE OF HANDS* (Silverfish Review Press, 2003) and *MISCREANTS* (W. W. Norton, 2007), says: The reclamation of the body, of the stunned and wounded and earthly - The poems of *HONEY AND BANDAGES* bespeak a fierce return to this material. Between metaphor and meditation, there is no safe distance in these poems. The lyric verve and visceral possession reminds us of our inexorable bind to the planet and the walking fractures that are its inhabitants. Read on. Dear Readers. No slant. No angle. Just the raw and naked light of these poems.
