A Selection of Speeches on the Proceedings Against the Late Queen, the State of the Country, and Parliamentary Reform (Classic Reprint) (Paperback)

By William Hazlitt

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Selection of Speeches on the Proceedings Against the Late Queen, the State of the Country, and Parliamentary Reform The chief subject, which called forth these uncommon efforts, and which indeed was naturally calculated to excite the strongest sensation throughout the country, was the ill-judged and ill-fated persecution of the late Queen by his Majestys Ministers. The other topics of the most deep and general interest, agitated at these Meetings, were the accumulating distresses of all classes of society, especially in the Agricultural Districts; and the strong necessity for Parliamentary Reform. Upon the latter point in particular this volume may be consulted with confidence, as exhibiting most solemn declarations in favour of that measure of paramount importance by many of the first public characters in the kingdom. No exertions have been spared to render the publication as accurate as possible. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
