

Occupational Therapy for Physical Dysfunction (Hardback)

By Mary Vining Radomski

Lippincott Williams and Wilkins, United States, 2014. Hardback. Book Condition: New. 7th revised international ed. 278 x 212 mm. Language: English . Brand New Book. Succeed in the course and master the concepts and skills you need to be an effective, reflective practitioner with Occupational Therapy for Physical Dysfunction, 7th Edition. The authors introduce the highly acclaimed, easy-to-understand Occupation Functional Model (OFM) in the first section, setting the stage for subsequent discussions that guide you through the assessment and treatment of adult patients with physical dysfunction from initial evaluation to treatment to follow-up. Featuring engaging and practical coverage, the Seventh Edition includes the latest research in the field, new activity analysis case examples, new photos, new online videos, and a streamlined organization that includes 45 chapters in the print textbook with three additional chapters posted online. You can develop a theoretical foundation to guide your professional decisions through the OFM framework used consistently throughout the book. You can access the best evidence for the effectiveness of the interventions discussed in the text with Evidence tables that summarize research studies. You can prepare for professional practice with Assessment tables that highlight the psychometric properties and the strengths and weaknesses of individual...
