Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I wrote my first book Christians Remember Your Past Lives-Learn How over a period of six years. During those six years I must have read every historic document relating to religion, spirituality and man s purpose on this planet. This implanted in my mind all kinds of meaningful messages. In writing this booklet, I attempted to take all this great meaning of life information and create simple one line messages. I really wanted to plant the seeds of thought, where you may look deep into yourself to answer this question. What kind of person am I? I recommend reading one message at a time and before moving on to the next line, take the time to truly feel the message. Each message will have a different meaning to different people. Some will have a profound effect on the way you look at your life. The ones that do, are the messages you were meant to hear.
