Brand New Book ***** Print on Demand *****.Have you ever wondered where Satan came from, why Adam and Eve ate the forbidden fruit, or why Cain killed his brother? Have you ever wondered where evil spirits came from or why they exist at all? Have you ever wondered what made Enoch so special that God took him to heaven so he would not die? Have you ever wondered what life was like during the first one thousand years of mankind s existence where people lived more than 900 years? Now you can have the answers to all these questions and more inside this book. A must read for anyone seeking to gain knowledge and wisdom. Wayne Barnett was born in 1969 just 2 months before the Apollo 11 landed on the moon. He grew up in the great southern state of Alabama, where he learned that life is just a journey and proving ground for each of us and that we must give an account for everything we do in life. He graduated in 1988 and spent four honorable years of service in the U.S.A.F. After he left the military in 1992 he settled down in Louisiana, where he found a church that follows the teachings of the first century Apostles. He stayed there for many years as his faith and knowledge of God grew exponentially. And in 2011 he decided to focus more on seeking a way to help people to more easily understand the Bible and the rewards of living a righteous life, from which was born this book and the books to follow.
