

## Malcolm X: The FBI File (Paperback)

By Director Clayborne Carson

Allworth Press,U.S., United States, 2012. Paperback. Book Condition: New. Reprint. 226 x 152 mm. Language: English . Brand New Book. The FBI has made possible a reassembling of the history of Malcolm X that goes beyond any previous research. From the opening of his file in March of 1953 to his assassination in 1965, the story of Malcolm X s political life is a gripping one. Shortly after he was released from a Boston prison in 1953, the FBI watched every move Malcolm X made. Their files on him totaled more than 3,600 pages, covering every facet of his life. Viewing the file as a source of information about the ideological development and political significance of Malcolm X, historian Clayborne Carson examines Malcolm s relationship to other African-American leaders and institutions in order to define more clearly Malcolm s place in modern history. With its sobering scrutiny of the FBI and the national policing strategies of the 1950s and 1960s, Malcolm X: The FBI File is one of a kind: never before has there been so much material on the assassination of Malcolm X in one conclusive volume.
