Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

THE VANISHED

At first glance, his death appears to be a tragic accident. However, when Detective Superintendent Konrad Simonsen is called to investigate, he notices that something doesn't add up. Did he fall? When life-sized images of a vanished girl are discovered plastering the walls of the dead man's attic, the case takes a new and sinister turn. Who is she? Could she be alive? Soon the homicide team find themselves delving into the past, but as they approach the truth, Simonsen is forced to confront long-hidden skeletons in his own cupboard.
