Brand New Book ***** Print on Demand *****.Stop Living Paycheck to Paycheck Are you tired of working hard only to barely make ends meet each month? Would you like to have more financial freedom, but you don't want to have to track every penny that you spend? Do you get frustrated with never seeming to have enough money? Would you love to make your money go further each money, even able to buy the things that you want to? Living frugally doesn't have to be difficult or tedious, nor does it mean having to sacrifice what you want just to make ends meet. For anyone who has ever wanted to get more from their money. The good news is learning how to properly manage your money is not difficult. And I'm here to show you how, leading you step-by-step through strategies that will not only manage your life, but will change it, also! Living frugally and stretching your dollar further isn't just about financial hacks or cliched advice. Anyone can tell you to turn off your lights if you aren't using them. This isn't helpful! However, changing your entire mindset about how you view and understand money can be incredibly powerful. And it is my job to take you there, to teach you budgeting techniques that will finally...
