iUniverse, United States, 2006. Paperback. Book Condition: New. 221 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There are many books of poetry, but 66 LEAVES, Poems From My Tree of Life, is destined to become one of your favorites. Author, Adrienne Carlino Gentile, shares the many branches of her personal growth as a daughter, mother, lover, and spiritual wise woman. Her verse is insightful without being complicated. This collection of poems encompasses such shared human sentiments as the ecstasy of a lover's thoughts in Moments to Share, the comfort in tribute to the loss of a parent in Daddy's Hands, and humor in the retort to a controversial song written about short people in Shortness Is In, Tallness Is Out. The simple spiritual answer to World Peace in Why Won't We Listen is thought provoking. Read 66 LEAVES and relive the unfolding of your own tree of life.
