Brand New Book ***** Print on Demand *****.Based on a true story, Mamas Drama takes place from 1929 to 2004. It shares the experiences of four generations as they move through the mama s baby, daddy s maybe condition, which occurs when the identity of the father is questionable. This story begins in Harriman, Tennessee when main character, Josephine Stewart, is almost 8 years old. Josephine loves and cherishes her daddy, Thomas Sr. Her Mama, Millie, reveals to her that Thomas is not her biological father, and that she is born from an extramarital affair Millie had with the mayor of the small town. There are nine Price children in George and Josephine s family, including children born as a result of Josephine s indiscretions. Josephine chooses to keep their fathers identities secret. Suzette later determines to break the generational mama s baby, daddy s maybe condition. She marries and has a son, Devon, who becomes a single dad while in college. Mamas Drama is a universal story, and is realistic historical fiction at its best. Compelling and inspiring, it...
