

Trace and Write: Cursive Handwriting Practice (Paperback)

By Macy McCullough

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Trace and Write: Cursive Handwriting Practice, provides extensive focus on cursive alphabet letter formation. The full-page format focuses on one cursive alphabet per page, allowing for additional practice. Students will have a minimum of 100 opportunities to trace each cursive letter before writing it freehand. Once a student has adequately mastered each cursive alphabet they may then move on to the next cursive letter or skip around as comfortable. This cursive writing penmanship workbook will help increase your student s ability to print uppercase and lowercase cursive letters and increase their fine motor skills. This cursive handwriting practice workbook is perfect for use with 1st-3rd grade students just beginning to write in cursive, homeschool students, after school programs, and extra cursive handwriting activities. Practice with cursive writing will also help with students ability to read cursive writing by having the ability to decipher text written in cursive such as classic historical documents students will encounter in school. This is an excellent cursive handwriting resource book for beginners. It makes introductory cursive handwriting easy.
