AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dear Faith is a collection of logical answers to questions many have and have had about Christianity. These are answers designed for those who consider themselves outside the Christian faith because doubts have driven them away. Tragically they re questioning what they have been taught is valid and for the most part based on misleading understandings of what is contained in the Bible. These answers are not what the current church goer wants to hear, because the Scriptures are considered literature and not inerrant truth. Scriptural stories are mankind s attempt to describe that which is indescribable. Among the mythologies and superstitions confronted in Dear Faith are the Garden of Eden and Adam and Eve, prophesy, evolution, what we know about God, Jesus as a sacrifice, when the myth of angels and satan began, Christianity vs. Islam and the end of the world. The next Reformation is gradually beginning and it is focused on the Bible. Dear Faith is written to answer questions from the author s sister, who was pronounced dead in an auto crash, but was revived. Her questions parallel those of so many the author has received during forty some years as a minister. Her name is Faith.
