Random House Children s Books, United States, 1997. Paperback. Book Condition: New. 216 x 142 mm. Language: English . Brand New Book. I m Kate Bjorkman. I don t like romance novels. They re full of three-paragraph kisses describing people s tongues and spittle. But what do you do if you ve lived a real romance with a great-looking guy (Richard) and he loves you as much as you love him? I know what I did. I wrote this romance novel about myself, using the Romance Writer s Phrase Book. I also used stuff my English teach taught me about writing. He said a story must have conflict. No problem there. My life was one big conflict last Christmas. I didn t make anything up. This is the honest truth and I want truth even in romance. I m betting you ll want the same.
