### ***Reviews***

*I just started off reading this article publication. It is definitely simplistic but surprises in the 50 percent of your ebook. You are going to like how the author create this publication.

## THE SIX

The Writer's Coffee Shop. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 8.9in. x 5.9in. x 0.9in. Darcy Pennington hates her life. She is an insufferably average teenager with no real friends, crushing social anxiety, and an indescribable sense of not fitting in anywhere. A change in her dad's job forces her to attend Cedar Cove Family Camp the summer before her eighth-grade year, and Darcy once again finds herself on the outside of a social circle of teenagers, with her only advocate being an awkward girl named Samantha Palm. The only problem is, Darcy has no desire to be friends with her, but as the hostility from the other teenagers increases, she decides to return the friendship. When Darcy begins to experience strange magical occurrences, she comes to believe she's either losing her mind or on the brink of a discovery that could give her purpose in life. After unwittingly stumbling through a magical gateway to a new world called Alitheia, she convinces Sam and the other four teenagers to travel there with her, and despite their earlier hostilities toward her, they eventually concede leadership of their small group to Darcy. Once there, they learn the arrival of the Six was prophesied hundreds of years before, and that they must expel an ancient evil from the land. In the end their lives, and the fate of Alitheia, will hinge upon Darcy. Will she have what it takes to fulfill her mysterious purpose? Or will she fall prey to a deadly foe? Praise for *The Six*: Fantastic story! As a mother of kids the ages of the characters, I was pleasantly surprised to find I couldn't put this book down. Almost constant action or dialogue, but with plenty of description in between to put the reader in the beautiful landscape of...
