## THE ECONOMY OF LITERATURE (PAPERBACK)

DOWNLOAD

JOHNS HOPKINS UNIVERSITY PRESS, United States, 1993. Paperback. Book Condition: New. Revised ed.. 221 x 152 mm. Language: English . Brand New Book. Why did coinage, tyranny, and philosophy develop in the same time and place? Marc Shell explores how both money and language give worth by providing a medium of exchange, how the development of money led to a revolution in philosophical thought and language, and how words transform mere commodities into symbols at once aesthetic and practical. Offering carefully documented interpretations of texts from Heraclitus, Herodotus, Sophocles, Plato, Aristotle, Rousseau, and Ruskin, Shell demonstrates the kinship between literary and economic theory and production, introduces new methods of analyzing texts, and shows how literary and philosophical fictions can help us understand the world in which we live.
