Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Go Pass MRCPC Clinical is the number ONE fully illustrated review notes for MRCPC clinical exams, DCH and other Pediatric clinical examinations. In this second edition of the book, I added a whole chapter where you can find everything about Growth charts, I added examples for clinical short cases, and the most common history taking scenarios plus important points to consider. It is not considered by any means to be a textbook or a reference book for studying Pediatrics. However, it provides vital information in a simple, concise, and comprehensive format that suits all Pediatric clinical examinations. The optimal benefit from this book will be achieved after a thorough reading in the Pediatric field, training and practicing clinical examination in the real life. Moreover Go pass is recommended to save effort and to have all topics reviewed in short time just before setting your exam. This book is designed as a study note which covers all the aspects of the MRCPC clinical examination and other Pediatric clinical exams. It is also useful for medical students, general practitioners and...
