Brand New Book ***** Print on Demand *****.Summary What would cause Jesus Christ and the Apostles, at the inauguration of the New Testament, to announce how it would come to an end? It seems highly unlikely that a man holding a new born baby in his arms for the very first time would begin to obsess about the child s demise. Is there any logic in a bride and groom finishing their vows and immediately begin thinking of how their marriage would end? What sense is there of a businessman advertising the grand opening of his venture and included in the brochure was a description of how it would eventually fail? The truth is the man holding the baby looks forward to the growth and development of the child, the bride and groom look forward to building a life together and a businessman charts a course of sustainability. So why at the commencement of the New Testament would Jesus and the Apostles broadcast how it would come to a close? They wouldn t. This book will answer the question of why they wouldn t. Dedication To all the wonderful folks of New Life Church who believed in me, stood by me and supported me through our transition from the hijacked to the authentic version of Jesus revelation. Acknowledgements I want to start with my heartfelt thanks to Mrs. Joan Howard the wife of Reverend Glenn Howard for her efforts to polish up my pathetic attempt at writing this book. To the love of my life and my wife Lori, thank you for allowing me to spend more time writing than I did with you. I am especially thankful to Xulon Press for accepting and...
