## TIME COURIERS

DOWNLOAD

Trestle Press. Paperback. Book Condition: New. Paperback. 198 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. New Orleans, June 1997. The city's dying of heat and dying on its feet as the port business shrinks and the powers that be carve up a vanishing pie. Steve Gorman, an executive for the APEX courier corporation, sees his colleague Andrew Sinclair disappear, carrying a high-value package containing a stone with miraculous powers. . . Steve gets the blame, quits APEX and loses his place on the city's Trade Council. Suddenly he has a non-person, but with the aid of glamorous Creole journalist Monique Chauvin and fey historian Louis Duplantier, he unearths an astonishing conspiracy involving time travel, the Templars, Freemasonry and Voodoo. If this Brotherhood can forecast events like Hurricane Katrina, millions of dollars could be saved-for the elect few, of course. C Q Scafidi's murder story is in fact a stunning exposé of globalism, greed and ritualized gangsterism. His background in journalism and business at the World Trade Center give him a unique insight into the workings of mankind. . . and how human nature can be corrupted overnight by the allure of power. Read Time Couriers and you'll see world events in an entirely different light. C Q Scafidi currently resides in the New Orleans area. His lifelong pursuits in international business, transportation, journalism and communications have provided him with a wealth of information to craft this novel, where arcane ritual enables global domination for a select few. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
